Davies, Lauris 11:59 AM:

were you able to remind Chris about the LUB GWMA letter than needs HQ review? I can send it to HQ in lieu of Chris if he is backed up, but of course he needs to be comfortable with current draft.

Pirzadeh, Michelle 12:02 PM:

Yes I talked to him about it this morning. I can call you, he would like some edits to the letter.

Lauris 12:03 PM:

ok, thanks for remembering to check with him.

Pirzadeh, Michelle 3:24 PM:

Hi Lauris, I will send you my suggested edits to the Umatilla letter based on the input I received from Chris.

Lauris 3:25 PM:

thanks, very helpful. when those edits are incorporated, should we stick with the plan of having Chris transmit to Susan, Dave, et al?

Pirzadeh, Michelle 3:38 PM:

Yes, I can make sure that happens timely.
